<u>Spelling</u>	•Writing Words TEST ON FRIDAY

Take Note

- Reading and math homework are done for the school year! Students will take their last spelling test of the year on Friday. Spelling lists are with them today.
- We have a lot to accomplish in our remaining days. It is so important that your child is in school so learning is not interrupted. There are many lessons that simply cannot be made up due to the nature of the lesson.
- Daily Oral Math lessons will be done for the year by Friday. This will also be our last week for analogies.
- Researching has been going well. This is very motivating for students since they chose their animal and the interest is there. I hate to stop them to go onto other lessons. Thank you very much for helping them with getting their resources. It will take all of this week to revise, edit, and rewrite the reports. Some students may also need to finish up the following week. Each student will have an opportunity to present what they learned about their animal to the class to work on oral speaking skills. This will prepare them for their upcoming poem presentation the last week of school.
- THIS IS THE LAST WELLER'S WEEKLY OF THE YEAR.

Special News

- Noah Williams** celebrated his **8th** birthday on May 26th. We hope you had a great day, Noah!
- We are still missing fall registration packets from a few families. Please complete the required forms and return them as soon as possible. Thank you to those families whom have already returned packets.
- The Brainstormers Assembly will be Friday, May 31st. We're anxiously awaiting to see if one of our 2nd grade stories was chosen to be performed for the school. Stay tuned...
- Officer DeGroot from the Walker Fire Department will finish the **Safe at Home Program** with our class on Thursday.
- Our last **Junior Achievement** lesson will be this week.
- Our **FIELD DAY** will be Wednesday, June 5th from 8:30-11:30 a.m. Volunteers are still needed. Let me know if you're interested in helping out that day. You're also welcome to come cheer us on.
- Report cards and MAP testing information will be sent to homes on June 14th.
- We will celebrate ALL summer birthdays on **June 6th**. If your child would like to share a small treat that morning, please let me know. No snack will be needed that day.
- For part of the school year I worked on creating a classroom website. While it isn't 100% complete, I thought I'd still share it with you as there are some resources your child could take advantage of over the summer.

Reminders

- A note, phone call, or e-mail is always appreciated whenever your child will arrive late or be picked up early. My school e-mail is kweller@khps.org.
- Friday, May 31st is **POPCORN DAY!** Bring 25¢ if you'd like a bag.
- June 5th, 6th, and 7th are all half days. Dismissal will be at 11:45 a.m. each day.
- Please make sure all library books are returned this week. Many thanks!

It has been my privilege to teach your child this year and I have enjoyed guiding them through their second grade journey. Thank you for your support throughout the year as it always makes my job so much easier. I wish you a safe and happy summer.
